The sequel sees Tony Stark (again played by Robert Downey, Jr.) and Pepper Potts (Gwyneth Paltrow) getting married and becoming parents, while Rhodey gets a new set of armor and a little sister. When the Avengers are attacked by Whiplash, it's up to you to stop the villain. Much like the first film, Iron Man 2 moves at a great pace and is filled with action. The graphics are a

bit better and don't look as dated as they did the first time around. The game was developed by Beenox and published by Activision and Marvel, and will be available for the PC, PS2, GameCube and PSP.[Epidemiological and experimental study of the etiology of severe hepatic encephalopathy]. For the clarification of the etiology of hepatic encephalopathy (HE), a statistical evaluation of clinical and etiological factors and the documentation of experimental results are important. The following results were achieved: Among the clinical and etiological factors, age, cirrhosis, the intake of diuretics and the course of the disease are significantly correlated with the severity of HE. Also an experimental hyperammonaemia in the dog without HE does not lead to

HE. This could not be confirmed in a statistical evaluation of the literature. A standardisation of the diagnostic method is missing. In order to obtain reliable statements about the etiology of HE, further experimental studies are necessary. l u e ? ( a ) - 2 1 0 b / 4 c d . 8 W h t i s o n m v 7 , 5 8 2 1 5 7 4 7 6 a f
